

WANTED!

**CHARGE:—Carnal Knowledge and
Desertion from the United States Army**

JAMES K. WOOD

I hold Warrant for JAMES K. WOOD, age 23 years, medium complexion, about 5 ft. 10 in., weighing 130 lbs., and slender. Wood talks with an English accent and a slight lisp. He has a wife in Minneapolis, but enticed a seventeen-year-old girl from her home in Salt Lake City, Utah. The girl is medium complexion, 5 ft. 5 in. in height, light brown hair, and brown eyes. When Wood is located, he will have the girl with him. Wood is a National Army Deserter, having a transfer from the Minneapolis Draft Board to Salt Lake City, but failed to report. He is an Office Man, bright, intelligent, and dressing neatly. I am anxious to locate this man. If located, arrest and hold, also taking girl into custody. The Mother of the girl will come for her immediately, and pay all incidental expenses. Look in Ship Yards and other Industrial places. Search questionable private hospitals where abortions are likely performed. This is a very grave case, and I will appreciate all attention on the part of officers everywhere to locate this man and girl.
